

***For lot line revisions that do not create new building lots and have existing well or septic or community water and sewer, such as adding from one parcel to another parcel that has existing well(s) or septic system(s):***

---

This lot line revision shown hereon is approved as being in conformance with the Caroline County Comprehensive Water and Sewer Plan. However, the applicant or any future owner must discontinue use of any individual well/septic systems when the community system(s) become available.
