

For lot line revisions that do not create new building lots and do not have existing well or septic or community water and sewer, such as adding from one parcel to another parcel that has no existing well(s) or septic system(s):

The purpose of this plan is solely for "**describe action carefully.**" Said parcel(s) do (does) not constitute (a) building lot(s) and therefore may not be considered for development until such time as either the parcel(s) can be served by a community sewerage system or evaluation of the parcel(s) demonstrate(s) that the parcel(s) meet(s) the provision set forth in the Code of Maryland Regulation (COMAR 26.04.02 and 26.04.03, if applicable) in place at the time the proposal is submitted; furthermore, development must be consistent with applicable State and County codes, regulations and laws.
